Choice of Frame Colour & Size

The **'Artwork Only'** option will feature the printed artwork on high quality matt coated paper which is then fixed to a mounted board. This will allow you to then easily insert into a frame you may already have or alternatively to take the artwork to a local framer of your choice.

Our frames are wooden (not MDF) and made in the UK with a plastic styrene front. The sizes shown are the internal dimensions of the mounted artwork. The actual frame size will be slightly larger as the frame is 3cm in width (an extra 6cm on each side). Available in Black, White or Oak and in either landscape or portrait for the non-square sizes.

As a general guide, the smaller 40cm x 40cm frame is suitable for up to c.25 messages. If you have x45+ messages then we would recommend the 50cm x 70cm frame (unless you wish to exclude or reduce some messages).

Please note it is difficult to provide an exact number for the recommended messages per frame because they can all vary in length - some messages will fill up the whole message card while some may be a short and sweet one-line message.

Additional Notes

A deposit of £100 is required to secure your order. The balance is payable on approval of your Guest Comments artwork. Please allow 10 working days for delivery following payment.

The prices above for your unique framed artwork include the following: 50 Personalised Message Cards, the design of your frame artwork, a digital proof followed by a hard copy paper proof. Additional Cards are available for £15 for x25 or £25 for x50. You will also receive your original message cards back.

Prices above exclude Postage & Packaging of £15 (UK delivery address only).

You do not need to know the frame size, frame colour or format (typed or scanned) at the time of your order. This can follow after the wedding once you have seen your completed Guest Message Cards and we are happy to offer some advice at this stage also.
